## Mid-Harbour pontoons

Later this month we will be taking delivery of 3 additional pontoons for mid-Harbour tidal mooring. Since their introduction in 2017 they've proved a very popular option - the annual contract includes use of the Harbour Water Taxi and 4 winter months on a walk-ashore pontoon (max LOA 9m). The **2019 price is £730**. Mid-Harbour fore and aft moorings are available at **£560**. Prices are inclusive of VAT. Subject to availability. Terms & Conditions apply.

Early bird offers for walk-ashore pontoon licence holders will be sent out this month and all 2019 tariffs will be available on the website shortly.

## 20% off Visitor and Monthly Berthing

Until 31st March we are offering 20% off our winter rates at the Duver Marina:

**Visiting boats - £1.56/m per night**

**Monthly berthing - £16/m** (eg 8m LOA - £128 per month)

*Prices include water, shoreside facilities, VAT and Harbour Dues  
Electricity available at additional cost*
