During October the Berthing Office / Galley Locker was relocated to the ground floor of the main Harbour Office building. It's also serving as the main staff office so it's quite cosy! The two blue ex-sea containers used for far too long for this purpose, are being redeployed, although one is beyond any further maintenance programme. This is a temporary solution ahead of the new facilities complex being built.

ENORMOUS THANKS from The Sophie Rolf Trust - KissyPuppy

With your help and support we've raised a total of **£6,565.27** this year for this very special Island charity. Our grateful thanks to everyone who has contributed to our fundraising efforts, by giving event or raffle prizes, volunteering, direct donation or by attending our events. It is truly appreciated.

We are delighted to announce that we will be continuing to support **The Sophie Rolf Trust - KissyPuppy** as our nominated charity throughout 2019. Information on the work of the Trust can be found on the Harbour website or at kissypuppy.co.uk
