National Coastwatch Institution

Our local Bembridge Coastwatch are based in the Coastguard Tower overlooking Forelands, and work with the Coastguard and Bembridge RNLI. You can call the Coastwatch team on VHF Channel 65 for radio and AIS checks seven days a week between 09:00 and 17:00. They also broadcast local weather information on Channel 65 daily at 09:45, 12:45 and 15:30.

NCI Bembridge has about 40 qualified watchkeepers and are always looking for volunteers. More information: www.nci.org.uk/stations/bembridge

Winter hours and shoreside facilities

We are now ensconced in our new building, which at the moment is open only during our winter opening hours. Out of hours and at the weekends, the previous shower/toilet facilities remain in use and are accessible by number code (provided to visiting boats on booking).

Opening hours during February are 09:00-16:00 Monday to Friday. Staff are not currently on site at the weekends. Visitors can book online anytime via the online booking system, including short stays, and retrospectively (24-hours) if arriving late. If you're thinking of coming over a weekend, please contact the Berthing Team in advance for the shoreside facilities code and WiFi password.
