## Harbour news ...

Maintenance work is continuing, and navigation buoys are being temporarily removed, 2 at a time, for cleaning and renumbering (see Local Notice to Mariners 7/2021 on the website). Please do not approach our staff teams, who are working in independent bubbles.

Telephone enquires can be made between 0900-1600 Monday to Friday and, preferably at the moment, staff can be contacted via email:

## Continuing Covid Restrictions

From 29th March, the Government's **Stay at Home** instruction will be replaced with **STAY LOCAL**. Local boat owners will be able to undertake maintenance work, but cannot stay overnight on their boat.

We continue to be unable to accept visiting boats until 12th April at the earliest, depending on how the Government roadmap proceeds.

## Looking ahead ...

We're so looking forward to the season starting: plans are afoot to open Steve's Bar for late April weekends with outside table service, the Duver Marina shoreside area has been further enhanced, and will have managed vehicular access. The Duver Café facilities have been upgraded and they have a new website: [duvercafeiw.co.uk](http://duvercafeiw.co.uk) and exciting plans to add to their menu ...

## The safety of our staff and Harbour users remains our top priority.

Covid-19 preventative measures will continue throughout the Harbour in-line with Government guidance, and with everyone urged to remember Hands, Face, Space and fresh air circulation at all times.
