Art abounds at the Duver ...

with the **Aqualibrium Art Gallery** reopening on Friday 31st March (aqualibrium.co.uk), and **Easter Art** by three local artists at Woodnutts Yard from 7-10th April.

It must be Spring ...

The **Duver Café** will be opening on Friday 24th March at 0830 (we can almost smell the bacon rolls and fresh coffee!!) and we are delighted to announce that the Café Team will also be running **Steve's Bar** this season, opening on Friday 31st March.

Take a look at the Duver Café website for all the latest news on both the Café and Bar (duvercafeiw.co.uk), or check out their Facebook pages - facebook.com/duvercafe and facebook.com/StevesBarBembridgeHarbour

Harbour news ... Port Marine Safety Code

On 23rd February an External Audit was carried out at the Harbour, focussing on significant aspects as required by the Port Marine Safety Code and the associated Guide to Good Practice on Port Marine Operations. We are delighted to report that BHA continues to meet these requirements and a Certificate of Compliance has once again been achieved.

Safety is our number one priority at the Harbour, and this was the first External Audit under the leadership of new Harbour Master Alan Mackay. Our congratulations to Alan and the Berthing Staff Team for their continuing hard work.

Winter Maintenance

Over the winter, a section of the main Duver pontoon has been completely replaced, the electricity supply has been upgraded both at the Duver and Bembridge Marinas, and general maintenance has been carried out across all sites, with the BHA and BBS teams joining forces to get the whole harbour ready for the season ahead.

Resident Berthing

This year we have reinstated mid-Harbour pontoons to complement our popular mid-Harbour moorings which are being taken up fast. Get in touch with the Berthing office or email: office@bembridgeharbour.co.uk for more information. Tariff rates for all berthing options can be found on the Harbour website: bembridgeharbour.co.uk

Spring spruce up?
