Dredging

We completed during April, a dredging programme at Bembridge Marina, along the south side of the Duver pontoon and at the BBS pontoon. For the second time, water injection dredging was used, with encouraging results on reinstated depths ahead of a post-dredge survey.

Bembridge Gig Fest - 30th/31st May

An annual festive gathering in Bembridge Harbour of traditional fixed-seat rowing boats, including 10m Cornish Pilot Gigs and Solent Galleys - extra special because these beautiful wooden boats were built in Portsmouth in the 1950s and 60s, and are now small in number.

Co-organised with **Yarmouth Gig Rowing Club**, with safely boat support from Brading Haven YC, we're looking forward to welcoming rowing clubs from across the south coast. More details on the Harbour and YGRC websites (www.yarmouthgigrowingclub.co.uk)

**** Early May Visitor Discount ****
