Harbour News - dredging

Weather has caused several delays, but dredging is now completed along the Duver pontoon and the approach channel to Fishermans'. By 19th November finger pontoons, power and water will have been reinstated and we will be fully open to visitors.

The dredger and barge will continue at Bembridge Boat Storage, where maintenance and resurfacing work is also underway on the yard and apron.

Online bookings 2022

Visitor berthing is now open on our online self-service portal (available through the Harbour website). Berthing fees for next year have been increased in line with inflation.
