

Directions to The Duver Marina, The Duver, St Helens, Isle of Wight PO33 1YB

The Harbour and Berthing Offices are at the Duver Marina on the St Helens side of Bembridge Harbour.

If arriving by car through St Helens: go through the village of St Helens on Upper Green Road with St Helens Green on your right. Just past the Green the road becomes Eddington Road - where it bends round to the left there's a right turn into Duver Road.

If approaching from the direction of Ryde: Eddington Road takes you past the entrance to Nodes Point Holiday Park and from there down a hill – a sharp left turn at the bottom takes you into Duver Road.

Duver Road takes you down a hill - at the bottom, follow the road round to the right, across The Duver towards a large green shed (Bembridge Boat Storage), and other buildings. To the right of the BBS shed is Tackt-Isle Adventures, and to the right of that are the entrance gates to the Duver Marina and car park.
