

**BEMBRIDGE HARBOUR AUTHORITY**  
**Local Notice to Mariners**

LNTM 14/2024

14<sup>th</sup> August 2024

**Bembridge Harbour website**  
**Tide Gauge live-feed data**

Please be aware that the live feed Tide Gauge data displayed on the Harbour website (as shown below) is currently not updating. PLEASE DO NOT USE THIS DATA for navigation purposes.

Tide tables for the next 7 days are available on the website at:

<https://www.bembridgeharbour.co.uk/Tides-and.../Tidal-Data>

**Live depth of water over the Bar**

Last Updated at 17:01

Readings below 0.4m cannot be taken as accurate but would in any case be unnavigable. This data is to be used with caution. BHA accepts no responsibility for any inaccuracy.

This technical issue will be corrected as soon as possible and this LNTM updated accordingly.

Our apologies for this inconvenience.

Jack Miskin  
Harbour Master
