Buoy number 2A has now been reinstated in the correct position.

This Notice is CANCELLED

LNTM 3/2026

12th February 2026

Channel Marker buoy off station

Please be advised that port buoy number 2A is currently off its chartered position. It is approximately 200m WNW of where it should be.

This will be rectified as soon as possible, which is expected to be during next week.

This Notice will be updated accordingly.
