Local Notice to Mariners

LNTM 5/2025

7th March 2025

Installation of a NEW Channel Navigation Buoy - number 8A

Please be advised that a new buoy - number 8A has been installed today, its co-ordinates as below (formerly the position of number 10):

8A: N 50° 41' 51.00" W 1° 5' 40.21"

Number 10 has been repositioned between buoys 8A and 10A at the co-ordinates:

10: N 50° 41' 42.09" W 1° 5' 41.77"

There will be a trial period and the position of Channel buoy number 10 may be fine-tuned.

This Notice will be updated if any adjustments are made to number 10, or any other Channel markers, as we fine tune our transit lines.
