**Dredging Operations in Bembridge Harbour**

Please be aware that dredging operations are due to commence from Monday 13<sup>th</sup> April in the area of Bembridge Marina, the fairway channel, and the south side of the Duver pontoon towards Attrill's Point.

Dredging vessel, WM Innovation (9.58m LOA) from WM Dredging Ltd, is due to arrive in the Harbour by Friday 10<sup>th</sup> April and will berth at Bembridge Marina until work commences. Work is scheduled to take approximately 3 weeks.

Dredging operations will take place 1-hour before High Water and up to 5-hours after High Water.

Please exercise extra caution when navigating in the vicinity.

Updates will be posted on the Harbour website and Facebook page and announcements made as necessary on VHF Channel 80.
